## What is a CSA?

A Community Supported Agriculture (CSA) program is a membership in your local farm. By becoming a member you make a conscious choice to feed your family and friends locally grown organic vegetables and commit your support to local farms.

## About our CSA:

- 20 weeks of vegetables and fruits grown organically here in Eugene;
- You pick up your produce each week at convenient locations around town or at the farm Tuesdays, June 2 - October 13, 2009;
- CSA members receive a 10% discount at our markets.
- No pre-packed box, you select the produce you want to take home!
- Extended season option.

## How it works:

We run our CSA a little differently than most. Rather than packing a pre-determined box for you, we set

out the harvest each week and you select the combination of fruits and vegetables you want to take home. You choose the items you are interested in from what the farm has to offer that week. We'll give you a wax-coated box to transport your produce and you bring it back each week and fill it with your favorites. For those wishing to experience the farm we offer a pick up day on-site, 84402 Territorial Road. If you prefer to be in town, we'd love to see you pull up on your bike at our pick up sites in Eugene. Pick up day is Tuesday at the farm or 2538 Harris Street in southeast Eugene or 1920 Garfield Street in southwest Eugene.

## What if I miss a week?

If you are gone for a week or two during the summer, as most people are, its no problem for us. You can make up your missed items over the next weeks or receive storage items at the end of the season.

## Cost:

For 20 weeks of vegetables and fruits grown organically right here in Eugene, you choose between the following:

**Full share** (feeds 2 veggie enthusiasts or 4 moderate veggie eaters): \$425

**Half share** (feeds 1-2): \$250

## How to become a member:

Give us a call, an email or clip and mail the form on the back with your check. Payment of \$425 in full by June 1, 2009 greatly assists the farm with early operating expenses, or make three equal payments on June 1, July 1 and August 1. Half shares are available for \$250. Space is limited to 40 members, so please join early. Contact us: David at Lost Creek Farm, 541-543-4973, [info@lostcreekfarmorganics.com](mailto:info@lostcreekfarmorganics.com). CSA members also receive a 10% discount at our markets.
